

Housing Questions:

Q-Are there any As-Builts available? A-Yes

Q-Do you want fire suppression included in the storage room? A-No we do not

Changes to description:

New front doors: in addition to the storage space, combine an additional set of offices to create a larger office space; new lighting in offices and front entrance.

Early Childhood:

Q-Are there any state or federal guidelines that need to be followed? A-No, PGST is a self-sovereign Nation, but they do follow Indian Health Services recommendations

Changes to description:

Would like the front entrance cover removed (structure added during covid).

Police Department:

No questions

Changes to description:

Bathroom to be one door entry only (no jack and jill).

Child and Family Services:

Q-Does the Tribe have vendors they already work with for security A-The selected contractor would need to work with the Tribe's IT department.

Changes to description: Would like to include media (audio and visual) to the meeting space.

Close out the window that opens to the hallway.

Natural Resources:

No questions or changes

Elders Center:

Did not visit.
